Twenty-second session  
Agenda item 63 (b)

INFORMATION FROM NON-SELF-GOVERNING TERRITORIES  
TRANSMITTED UNDER ARTICLE 73 e OF THE CHARTER OF  
THE UNITED NATIONS

Report of the Secretary-General

1. Under the terms of Article 73 e of the Charter, Member States which have or assume responsibilities for the administration of Territories whose peoples have not yet attained a full measure of self-government undertake to transmit regularly to the Secretary-General information relating to economic, social and educational conditions in the Territories for which they are responsible, other than those Territories to which the International Trusteeship System applies. In addition, the General Assembly in several resolutions, the most recent of which was resolution 2233 (XXI) of 20 December 1966, invited them to transmit information as prescribed under Article 73 e of the Charter as well as the fullest possible information on political and constitutional development in the Territories concerned.
2. The table annexed to the present report shows the dates on which information called for in Article 73 e was transmitted to the Secretary-General in respect of the years 1965 and 1966, up to 1 December 1967.
3. The information transmitted under Article 73 e follows in general the standard form approved by the General Assembly and includes information on geography, history, population, economic, social and educational conditions. In the case of Territories under the administration of Australia, New Zealand and the United States of America, the annual reports of the Territories, which also include information on constitutional matters, were transmitted. Additional

information on political and constitutional developments in Territories under their administration was also given by the representatives of Australia, New Zealand, Spain, the United Kingdom of Great Britain and Northern Ireland and the United States of America during meetings of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

4. No information has been transmitted to the Secretary-General concerning Territories under Portuguese administration, which, by resolution 1542 (XV) of 15 December 1960, the General Assembly considered to be Non-Self-Governing Territories within the meaning of Chapter XI of the Charter. Nor has the Secretary-General received information concerning Southern Rhodesia which, the Assembly affirmed by resolution 1747 (XVI) of 28 June 1962, was a Non-Self-Governing Territory within the meaning of Chapter XI of the Charter.

5. In paragraph 5 of resolution 1970 (XVIII), the General Assembly requested the Special Committee to study the information transmitted under Article 73 e and to take it fully into account in examining the situation with regard to the implementation of the Declaration. In accordance with the procedure approved by the Special Committee in 1964 (A/5800, chapter II), this information was taken into account by the Special Committee in its consideration of the Territories concerned and is reflected in the chapter of the Special Committee's report to the General Assembly at its current session dealing with each of these Territories (A/6700/Add.1-14). The report also contains in chapter XXIV (A/6700/Add.15) an account of the action taken by the Special Committee in implementation of resolution 1970 (XVIII).
